FROM HEMISPHERE 28 Years TO HEMISPHERE (1998 – 2026)

October/November 2026

Dear Friends,

During the month of October, we were blessed to safely travel across much of the eastern United States. We spent time visiting with family and updating churches that support us in Oklahoma, Michigan, Pennsylvania, and Virginia. We especially enjoyed the drive through western Virginia and southern Pennsylvania as the leaves were changing colors. During the month, we passed through 13 different states and were reminded of how blessed we are to be citizens of such a beautiful country.

Please pray about our visa situation! This has been one of the more frustrating things that we have had to deal with since moving to the foreign field in 1998. After having been rejected by Thai immigration once again, we have rescheduled our return to Thailand for December 6th. Although this has been a difficult time for us, we have taken advantage of the opportunity and have visited several churches and raised some new much needed support. One thing is for sure, we can't wait to get back!

Every year at Christmas, we have several evangelistic outreach opportunities along with special events for born again believers. The Christians that we minster to in Pakistan are part of a persecuted minority and Christmas is a time that they look forward to more than one might expect. To this end, we have partnered with three churches and one Christian school in Pakistan, and we also have a big day planned for the Christian refugees in Bangkok. There will be families from Pakistan, Afghanistan, Iran, Syria, and Sri Lanka. Our plan is to give each church/school in Pakistan $500 and then spend $3,000 on the program in Thailand. We will be feeding about 180 people. We will also give a gift and a bag of staple foods to each adult. The church in Bangkok will be providing gifts for all the children and teenagers. We have already had $480 come in for this need. **We still need $4,520 to finish this project.**

Once again, please pray about our visa situation. Thank you all for your prayers and faithful support for my family and our ministry.
